PROJECTS

Personal Website - heavenlee.xyz
My own personal website which I built using the Bootstrap framework. Designed to be responsive on all devices. Registered domain name and configured DNS. Setup hosting with Github Pages.
*Built with **HTML**, **CSS**, **jQuery**, and **Bootstrap**.*

CastleNova Themes - castlenovathemes.tumblr.com
Designed and coded custom themes for Tumblr. My themes feature customizable options to further personalize the layout and design.
*Built with **HTML**, **CSS**, and **jQuery**.*

EDUCATION

Leeward Community College, Pearl City, HI — Digital Media Production, 2009 - 2012
***Associates of Science in Digital Media Productio**n | Certificate of Competence in Motion Graphics*
